

REMARKS

Applicants have canceled the non-elected claims without prejudice and added new claims 7-20 to round out the protection to which applicants are entitled in this application. Applicants have also made minor amendments to original claim 5. These amendments do not narrow the scope of the original claims.

Early action allowing claims 5-20 is solicited.

In the event that the transmittal letter is separated from this document and the Patent and Trademark Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to our **Deposit Account No. 03-1952** referencing **506212001200**.

Respectfully submitted,
